REMARKS:

Attached is our memo on the DMZ  
issue. It is a consensus effort participated  
in by

did the basic draft which we all (plus Godfrey)  
reviewed and worked over. We have been as  
non-controversial as possible in our language  
but the views expressed herein would still  
almost certainly displease our military  
colleagues. The paper was written to brief  
you on the views of your associates.
